

CSC Computer Sciences HK Limited

and

Automated Systems (H.K.) Limited

---

**AGREEMENT FOR SALE AND PURCHASE  
OF THE GLOBAL ACCOUNTS AND ASSETS IN HONG KONG**

---

**AGREEMENT FOR SALE AND PURCHASE  
OF THE GLOBAL ACCOUNTS AND ASSETS IN HONG KONG**

THIS AGREEMENT is entered into on 24<sup>th</sup> April 2009

**BETWEEN** Automated Systems (H.K.) Limited having its registered address at 15/F Topsail Plaza, 11 On Sum Street, Shatin, N.T., Hong Kong ('ASL HK')

**AND** CSC Computer Sciences HK Limited having its registered address at 4024-4039, 40<sup>th</sup> Floor, Sun Hung Kai Centre, 30 Harbour Road, Wanchai, Hong Kong ('CSC HK')

**BACKGROUND**

- A. ASL HK conducts the Business and is the beneficial owner of the Business, the Business Assets, the Hardware Assets, the Data Centre Equipment and the licensee of the Specified Intellectual Property.
- B. CSC HK wishes to purchase the Business from ASL HK and to enter into a series of related transactions as identified under this Agreement.
- C. CSC HK has agreed to pay ASL HK a specified sum of monies as set-out herein in consideration of ASL HK procuring the transfer of the Business, the Business Assets, the Hardware Assets, the Data Centre Equipment and the use of the Specified Intellectual Property to CSC HK on the terms and conditions contained in this Agreement.

**AGREEMENT**

**1. DEFINITIONS AND INTERPRETATION**

**1.1 In this agreement:**

'associated companies' means, in relation to a company (the "first company"), any other company in the equity capital of which the first company and/or the subsidiaries of the first company taken together are directly or indirectly interested so as to exercise or control the exercise of 30% or more of the voting power at general meeting of such other company;

'Data Centre Equipment' means the equipment listed in Schedule 8 subject to audit check set-out in Clause 14A;

'Data Centre Facility Management Agreement' means the agreement to be entered into between ASL HK and CSC HK for the use of the Data Centre Premises by CSC HK, in the form specified in Schedule 9 herein;

'Data Centre Premises' means the premises located at Topsail Plaza, 11 On Sum Street, Sha Tin, Hong Kong, the area and floor plan are more particularly set out in Schedule 10 ;

'Debtor' means a person owing the Receivables to ASL HK as at Completion;

'Employees' means all the persons employed by ASL HK in the conduct of the Business and who are listed in Schedule 1, but excluding any such persons who have ceased to be an employee of ASL HK before Completion;

'Encumbrance' means any mortgage, lien, charge, pledge, claim or other encumbrance;

'First Master Subcontract Agreement' means the Master Subcontract Agreement dated 24<sup>th</sup> April 2009 and entered into between CSC HK and ASL HK which provides the principal terms relating to sub-contracting of certain services by ASL HK to CSC HK as a result of the transfers of the Global Account Client Contracts as contemplated under this Agreement ;

'Global Account Clients' means the clients of ASL HK as listed in Schedule 4;

'Global Account Client Contracts' means all written agreements and orders entered into, made or accepted by or on behalf of ASL HK in the conduct of the Business as specified in Schedule 4 Part A;

'Hardware Assets' means the assets and/or leases listed in Schedule 7 subject to the audit check as set-out in Clause 14A;

'Liabilities' means all liabilities, losses, damages, outgoings, costs and expenses of whatever description;

'Listing Rules' means the Rules Governing the Listing of Securities on the Stock Exchange of Hong Kong Limited;

'party' means each party to this agreement;

'Pre Completion Transition Activities' means the activities and services to be provided by ASL to CSC as set out in Schedule 5(a).

'Post Completion Transition Activities' means the activities and services to be provided by ASL to CSC as set out in Schedule 5 (b).

'Receivables' means the debts owing to ASL HK in relation to the Business (whether or not yet due and payable) at Completion;

'Records' means all original and copy records, sales brochures and catalogues, lists and contact details of clients, documents, books, files, accounts, plans and correspondence belonging to or used by ASL HK exclusively for the Business other than corporate accounting and statutory records;

'Second Master Subcontract Agreement' means the Master Subcontract Agreement dated 24<sup>th</sup> April 2009 and entered into between ASL HK and CSC HK which provides the principal terms relating to sub-contracting of certain services by CSC HK to ASL HK as a result of the transfers of the Global Account Client Contracts as contemplated under this Agreement;

'Signing' means the date of signature of this Agreement;

'Specified Intellectual Property' means all the software that is used for the performance of the obligations in the Global Account Client Contracts which is described in Schedule 2 utilised for the purposes of Business subject to the audit check as set-out in Clause 14A;

'Takeovers Code' means the Hong Kong Code on Takeovers and Mergers;

'Transferring Employees' means those Employees who accept CSC HK's offer of employment referred to in Clause 10;

'Vendors' mean the third party vendors contracted and/or engaged by ASL HK for the delivery of services and/or equipment for the purposes of the Business and of which are listed in Schedule 4 Part B;

'Vendor Contracts' means those third-party contracts with the Vendors that are listed in Schedule 4 Part B, subject to the audit check as set out in Clause 14A;

'Warranties' means each of the representations and warranties listed in Schedule 3;

1.2 In this Agreement unless the contrary intention appears:

- (a) the singular includes the plural and vice versa and words importing a gender includes other genders;
- (b) reference to any legislation or any provision of any legislation includes any amendment, modification, consolidation or re-enactment of the legislation or any legislative provision substituted for, and all legislation and statutory instruments of, and regulations issued under, the legislation;
- (c) other grammatical forms of defined words and expressions have corresponding meanings;
- (d) a reference to a clause, paragraph, schedule or annexure is a reference to a clause or paragraph of, or schedule or annexure to, this agreement and a reference to this agreement includes its schedules and annexures;
- (e) words importing persons include firms, bodies corporate, unincorporated associations or authorities;
- (f) a reference to a person includes a reference to the person's executors, administrators, successors, substitutes and assigns;
- (g) an agreement, representation, warranty or indemnity given or undertaken by 2 or more persons binds them and is given jointly and severally;
- (h) headings are for ease of reference only and do not affect the construction of this agreement;
- (i) a reference to an amount of money is a reference to the amount in the lawful currency of Hong Kong unless otherwise stated;

- (j) a reference to writing includes typewriting, printing, lithography, photography and any other mode of representing or reproducing words, figures or symbols in a permanent and visible form;
- (k) a document expressed to be an annexure means a document a copy of which has been initialled for the purposes of identification by or on behalf of the parties;
- (l) if any day appointed or specified by this agreement for the payment of any money falls on a day which is not a Business Day the day appointed or specified is deemed to be the next Business Day;
- (m) a reference to a time or date in connection with the performance of an obligation by a party is a reference to the time and date in Hong Kong even if the obligation is to be performed elsewhere.

## 2. TRANSFER

ASL HK agrees to procure the transfer of the Business, the Business Assets, the Specified Intellectual Property, the Hardware Assets and the Data Centre Equipment to CSC HK (or to any other CSC entity as nominated by CSC HK) and CSC HK agrees to acquire the Business, the Business Assets, the Specified Intellectual Property, the Hardware Assets and the Data Centre Equipment free from any Encumbrance, as at and with effect from the Completion Date.

## 3. CONDITIONS PRECEDENT

3.1 The obligation of ASL HK to effect the transactions contemplated under this agreement is subject to the following conditions being met to the reasonable satisfaction of CSC HK within the Completion Period :

- (a) the execution of the respective assignment or novation of the benefit and the burden of the Business Contracts and the Specified Intellectual Property has been obtained and completed by the Global Account Clients, the Vendors and/or relevant counterparty(s);
- (b) the Transferring Employees have accepted the offer of employment made by CSC HK pursuant to Clause 10 of this Agreement;
- (c) written acceptance by CSC HK confirming the completion of each of the Pre Completion Transition Activities in Schedule 5 (a) unless any are waived in writing by CSC HK at its absolute discretion;
- (d) the Securities and Futures Commission of Hong Kong granting a "special deal" consent under Rule 25 of the Takeovers Code in respect of this Agreement, the Data Centre Facility Management Agreement, the First Master Subcontract Agreement, the Second Master Subcontract Agreement, the termination agreement for the Territorial Agreement entered into between Automated Systems Holdings Limited and CSA Holdings Limited dated 16<sup>th</sup> October 1997, the termination agreement for the Business Referral Agreement entered into between ASL HK and CSC Malaysia Sdn Bhd (formerly known as Computer Systems Advisors (M) Sdn Bhd) dated 26<sup>th</sup> August 1997 and all the transactions contemplated thereunder, and any conditions attaching to such consent being fulfilled;
- (e) the passing of all necessary resolutions by the shareholders of Automated Systems Holdings Limited ("Listco") which is ASL HK's parent company listed on the Stock Exchange of Hong Kong Limited (other than such shareholders who are required to abstain from voting pursuant to the requirements under the Takeovers Code and/or the Listing Rules) at the general meeting of Listco by way of a poll to approve this Agreement, the Data Centre Facility Management Agreement, the First Master Subcontract Agreement, the Second

Master Subcontract Agreement, the termination agreement for the Territorial Agreement entered into between Automated Systems Holdings Limited and CSA Holdings Limited dated 16<sup>th</sup> October 1997, the termination agreement for the Business Referral Agreement entered into between ASL HK and CSC Malaysia Sdn Bhd (formerly known as Computer Systems Advisors (M) Sdn Bhd) dated 26<sup>th</sup> August 1997 and all the transactions contemplated thereunder;

- (f) the physical transfer of the Hardware Assets and Data Centre Equipment; and
- (g) the execution of the First Master Sub-Contract Agreement, the Second Master Sub-Contract Agreement (if required) and the Data Centre Facility Management Agreement between ASL HK and CSC HK.

3.2 If any of the conditions described in Clause 3.1 above have not been fulfilled within the Completion Period and the reason for non-fulfilment arises other than an act or omission of CSC HK, CSC HK may give ASL HK a notice requiring it to fulfil those conditions within a period of seven (7) days (or any period it decides) from the date of receipt of the notice, and declaring time to be of the essence in all respects. If ASL HK fails to fulfil those conditions by the date specified in CSC HK's notice and such non-fulfilment arises other than an act or omission of ASL HK, this Agreement shall be terminated and each Party shall thereafter be released and discharged from its obligation hereunder and each Party shall have no claim against the other Party for damages or otherwise as a result of the termination.

3.3 CSC HK may, by notice in writing to ASL HK, elect to waive any of the conditions stated above in Clause 3.1 save and except for subclauses 3.1(d) and (e) above.

#### 4. PAYMENTS

4.1 CSC HK agrees to pay to ASL HK the Consideration on the Completion Date for CSC HK's acquisition of the Business, the Business Assets, the Hardware Assets, the Data Centre Equipment and the Specified Intellectual Property.

4.2 The payment will be made by electronic transfer to ASL HK's bank account as identified below in cleared funds immediately available for disbursement:

Account Name: Automated Systems (HK) Ltd.  
Bank Name: Standard Chartered Bank (HK) Ltd.  
Bank Address: 13/F 4-4A Des Voeux Road Central HK  
SWIFT Code: SCBHKHH  
Account No: 003-447-1-055396-2

#### 5. LICENSE OF INTELLECTUAL PROPERTY

5.1 ASL HK agrees to use its best efforts and in good faith to procure the licence to CSC HK (or to any other CSC entity as nominated by CSC HK), either by way of assignment or novation or sub-licence, for use in Hong Kong with effect from the Completion Date, for the period of the validity of the Business Contracts, all those Specified Intellectual Property for the sole purpose of enabling CSC HK to perform the obligations under the Business Contracts which are to be novated to CSC HK hereunder. ASL HK shall be entitled by written notice to terminate such licence at any time if CSC HK (or any other CSC entity as nominated by CSC HK) fails to perform its obligations materially under this Agreement. CSC HK shall use its best endeavours to assist ASL HK to procure the novation or assignment of the Specified Intellectual Property. ASL HK shall designate Chinny Yau as the person responsible for this exercise. CSC HK shall bear the costs for the use of those Specified Intellectual Property that are not licensed under this clause.

5.2 CSC HK hereby acknowledges that the information and knowledge relating to or obtained from the Specified Intellectual Property is of a strictly confidential nature and accordingly, CSC HK covenants that it will not and it will procure that no other entity controlled by CSC HK shall at any time without the prior written consent of ASL HK whether before or after the date of this Agreement divulge or use whether directly or indirectly for its own benefit (save for the purpose of performing the obligations under the Business Contracts) or that of any other person, firm or company any of such information or knowledge relating to or obtained from the Specified Intellectual Property.

## 6. TRADING RESPONSIBILITIES

6.1 Subject to Clauses 9.2 and 9.3, and to Completion occurring, all Liabilities of whatever nature whatsoever in relation to the Business incurred or payable in, or otherwise referable to, the period:

- (a) up to and including the Completion Date are the responsibility of ASL HK and its subsidiaries and associated companies, ASL HK indemnifies CSC HK (or to any other CSC entity as nominated by CSC HK) from and against those Liabilities;
- (b) after the Completion Date and which cause of action arose after the Completion Date are the responsibility of CSC HK and CSC HK indemnifies ASL HK and its subsidiaries and associated companies from and against all of those Liabilities.

## 7. ACCESS TO BUSINESS AND RECORDS

7.1 Upon reasonable notice from CSC HK, ASL HK will provide reasonable access during Business Hours to CSC HK and its advisers to the Records and the Employees before the Completion Date to enable CSC HK to

- (a) become familiar with the conduct of the Business; and
- (b) to conduct such due diligence investigations as CSC HK requires.

7.2 In exercise of the rights granted to CSC HK under Clause 7.1, CSC HK may, with ASL HK's consent (not to be unreasonably withheld), at CSC HK's cost, make copies of the material examined, of which shall be destroyed in the event Completion does not occur.

## 8. CONTINUITY OF BUSINESS

8.1 Prior to Completion Date, ASL HK shall use its best efforts to procure the Business to be carried on in the usual and ordinary course and not do anything which may damage the Business at any time, whether before or after Completion Date.

8.2 Without limiting Clause 8.1, prior to Completion Date ASL HK shall procure that it shall not without the prior written consent of CSC HK (which shall not be unreasonably withheld):

- (a) enter into, or commit to enter into, any contract, agreement or arrangement or accept any order which is of an unusual nature or which is not in the ordinary course of conducting the Business;
- (b) grant or create or agree to grant or create any further Encumbrance over or affecting any of the Business Assets, the Hardware Assets or the Data Centre Equipment;
- (c) dispose of any of the Business Assets, the Hardware Assets or the Data Centre Equipment other than in the ordinary course of business;
- (d) order or purchase any plant and equipment for the Business;
- (e) engage any new employee in relation to the Business; or

- (f) increase the remuneration or other benefits of any existing Employee.

## 9. BUSINESS CONTRACTS

- 9.1 Upon the execution of this Agreement, ASL HK shall assign or novate and CSC HK (or any other CSC entity as nominated by CSC HK) shall accept an assignment or novation of the benefit and the transfer of the burden of the Business Contracts with effect from the Completion Date.
- 9.2 ASL HK and CSC HK (or any other CSC entity nominated by CSC HK) will agree to enter into a transfer of each Global Account Client Contract in the form specified in Schedule 6.
- 9.3 CSC HK (or any other CSC entity nominated by CSC HK) must assume, perform and observe the covenants and obligations of ASL HK and its subsidiaries and associated companies under the Business Contracts after Completion Date.
- 9.4 ASL HK indemnifies CSC HK (or that CSC entity as nominated by CSC HK) against all Liabilities incurred by CSC HK (or that CSC entity as nominated by CSC HK) as a result of any breach or default or non-performance or non-observance of any terms and conditions of any of the Business Contracts occurring prior to the Completion Date.
- 9.5 CSC HK indemnifies ASL HK and its subsidiaries and associated companies against all Liabilities incurred by ASL HK and its subsidiaries and associated companies as a result of any breach or default or non-performance or non-observance of any terms and conditions of any of the Business Contracts occurring after the Completion Date.
- 9.6 In the event that assignment or novation of any of the Business Contracts is not possible, then ASL HK and CSC HK agrees that the following shall be done :-
- (a) in the case of the Global Account Client Contracts, CSC HK shall provide services which may be required by ASL HK for ASL HK to continue the performance of its obligations under such Global Account Client Contracts on the terms of the Second Master Subcontract Agreement and the terms of each Subcontract (as defined in the Second Master Subcontract Agreement) to be executed by the parties; and
  - (b) in the case of the Vendor Contracts, ASL HK shall provide services which may be required by CSC HK for CSC HK to perform the obligations of those Global Account Client Contracts which have been novated to CSC HK hereunder, on the terms of the First Master Subcontract Agreement and the terms of each Subcontract (as defined in the First Master Subcontract Agreement) to be executed by the parties.

Both parties shall use its best endeavours and in good faith agree mutually acceptable contracting arrangement for the purpose of this Clause 9.6.

## 10. EMPLOYEES

- 10.1 On or before the Completion Date, ASL HK and its subsidiaries (as the case may be), shall accept the termination of employment by each Employee. All accrued salary and any other benefits due to such Employee (save for severance payment and long-service payment payable under the Employment Ordinance, Cap. 57) up to the date of termination shall be borne by ASL HK. Should any of the Employees refuse to accept CSC HK's employment offer and as a consequence, ASL HK terminates the employment of such an employee, then CSC HK shall forthwith indemnify ASL HK for all statutory compensations as required by law (as specified in the Employment Ordinance, Cap. 57) payable to each Employee arising from his/her termination of employment. In the event that the said Employee is re-employed or engaged by ASL HK within six (6) months of such termination, whether by way of a permanent employee, contractor or in any other form, then ASL HK shall reimburse CSC HK all sums it has received from CSC HK forthwith in relation to such Employee.

- 10.2 From the Completion Date, CSC HK (or any other CSC entity as nominated by CSC HK) will offer employment to the Employees on substantially similar terms and conditions to their employment contracts with ASL HK and/or its subsidiaries. CSC HK shall, in its offer of employment to the Employees, recognise the Transferring Employees' previous years of continuous service with ASL HK or its subsidiaries, as the case may be.
- 10.3 ASL HK shall at all times indemnify and hold harmless CSC HK (or that CSC entity as nominated by CSC HK) from and against any loss or damages incurred by CSC HK (or that CSC entity as nominated by CSC HK) caused by the wilful or negligent act or omission of ASL HK in fulfilling its obligations to the Transferring Employees as set out in Clause 10.1 above.

## 11. SUB-CONTRACTING ARRANGEMENTS

In addition to the arrangements under Clause 9.6, CSC HK (or that CSC entity as nominated by CSC HK) shall sub-contract to ASL HK in particular the on-site services to be provided in Thailand, Taiwan and Hong Kong under the Global Account Client Contracts on the terms of the First Master Sub-Contract Agreement.

## 12. COMPLETION

- 12.1 Completion will take place on the Completion Date at 11am (Hong Kong time) (or on such later date as the parties may agree), at the offices of CSC HK or such other place as the parties agree.
- 12.2 At Completion, ASL HK shall procure its subsidiaries to:
- (a) transfer the Business Assets, the Hardware Assets and the Data Centre Equipment to CSC HK free of all Encumbrances; and
  - (b) deliver to CSC HK;
    - (i) all necessary documents of title, transfer documents and any other documents that may be necessary to vest ownership of the Business, the Business Assets, the Hardware Assets and the Data Centre Equipment in CSC HK (or that CSC entity as nominated by CSC HK) or to provide evidence of CSC HK's ownership of any of the Business Assets, Hardware or Data Centre Equipment after Completion;
    - (ii) assignments (in substantially the form set out in Schedule 6) in respect of the Global Account Client Contracts;
    - (iii) assignments (in substantially the form set out in Schedule 6) in respect of the Vendor Contracts;
    - (iv) originals or counterparts (or, where not available, copies thereof) of all Business Contracts and other documents connected with the Business;
    - (v) a list of the Receivables as contemplated under Clause 15.1; and
    - (vi) an executed copy of the Data Centre Facility Management Agreement.
- 12.3 At Completion, CSC HK will pay to ASL HK the Consideration in accordance with Clause 4.
- 12.4 Where ASL HK and CSC HK agree that delivery to CSC HK of an item at Completion is impracticable or inconvenient, the requirement for delivery may be satisfied by ASL HK placing that item under the control of CSC HK.
- 12.5 The obligations of the parties in respect of Completion under this Agreement are interdependent and accordingly:
- (a) all actions required to be performed at Completion will be deemed to take place simultaneously on the Completion Date; and

- (b) no payment or delivery will be deemed to have been made until all payments and deliveries due under this agreement have been made.

12.6 The revenue arising from the Business and the Business Assets shall be received and all outgoings in relation to the Business and the Business Assets shall be discharged by ASL HK up to and inclusive of the Completion Date, and with effect from the Completion Date, all outgoings (including maintenance fees for the Specified Intellectual Property) in relation to the Business and Business Assets shall be discharged and all revenue arising from the Business and the Business Assets shall be received by CSC HK. All revenue received from customers and outgoings (including maintenance fees for the Specified Intellectual Property) pre-paid by ASL HK prior to the Completion Date shall accordingly be apportioned between ASL HK and CSC HK as necessary and settled on Completion Date.

(Clause 13 has been deleted intentionally)

#### 14. TRANSITION ACTIVITIES

##### 14.1 Pre Completion Transition Activities

ASL HK and CSC HK shall following signing and no later than the Completion Date use its best endeavours perform those activities set out in Schedule 5(a). The obligations to complete such activities are a mutual obligation of the parties.

##### 14.2 Post Completion Transition Activities

ASL HK shall no more than 6 months from the Completion Date perform the activities in Schedule 5(b).

#### 14A. ASSETS

14A.1 Both parties agree that the lists of Specified Intellectual Property, Vendor Contracts, Hardware Assets and Data Centre Equipment, attached herein as Schedules 2, 4B, 7 and 8 respectively were as at 31<sup>st</sup> March 2009. Further, ASL HK shall instruct its auditors to perform an audit based upon Agreed Upon Procedures according to International Accounting Standards 4400 ("AUP") within 3 Business Days from the date of this Agreement to validate the said list as at 31<sup>st</sup> March 2009. Prior to the commencement of the said AUP, CSC HK shall perform an inventory count, and prepare a list of the Specified Intellectual Property, Vendor Contracts, Hardware Assets and Data Centre Equipment jointly with ASL HK. Such list shall be provided to the auditors. The said AUP shall be completed and a report produced and distributed to both parties within 10 Business Days thereafter. Within 5 Business Days following receipt of the said audit report, both parties shall jointly agree the said report and to amend the said Schedules to reflect the agreed results of the audit. Such costs of audit to be shared equally between the parties.

14A.2 Within 10 Business Days from the Completion Date, ASL HK shall produce a listing of all Hardware Assets acquired from 1<sup>st</sup> April 2009 through the Completion Date with sufficient details to identify the specific asset, its location, date of purchase, requisite approval for each purchase and its costs. ASL HK shall provide the supporting documentation for this listing. ASL HK shall then instruct its auditors to perform an AUP to validate this said listing within 3 Business Days therefrom. Where the additional Hardware Assets purchased total HKD3,900,000 or less, then ASL HK shall cause the ownership of these Hardware Assets to be transferred to CSC HK free of Encumbrance, such transfer of ownership to take effect within the next 5 Business Days, and without any additional costs. Where the additional Hardware Assets total more than HKD3,900,000, then CSC HK shall pay the differential between the total purchase price of such

additional Hardware Assets and HKD3,900,000, in addition to the Consideration, to ASL HK, and thereupon ASL HK shall transfer the ownership of all of the said additional Hardware Assets to CSC HK free of Encumbrance. Such transfer of ownership shall take effect within 5 Business Days from the date of payment by CSC HK. Such costs of audit shall be shared equally between the parties.

## 15. RECEIVABLES

- 15.1 ASL HK will provide to CSC HK at Completion Date a list of the Receivables in respect of the Global Account Client Contracts as at Completion setting out for each Debtor:
- (a) the name;
  - (b) the address;
  - (c) the amount owing; and
  - (d) the due date for payment of the debt.
- 15.2 Subject to Clause 15.4, CSC HK shall, with the reasonable assistance of ASL HK, and applying generally accepted commercial practices (but in any event using at least the same degree of effort as it uses to collect its own accounts receivables) pursue recovery of the Receivables for ASL HK.
- 15.3 CSC HK shall keep an accurate account of all amounts received by it from any Debtor following Completion. Within ten (10) days after the end of each month following Completion, CSC HK shall, subject to Clause 15.4, provide to ASL HK a statement setting out the details of all amounts received by it from any Debtor up to the end of each such month and, provided only where these amounts are received by CSC HK, shall within the said (10) days remit these said amounts to ASL HK.
- 15.4 CSC HK's obligations under Clauses 15.2 and 15.3 shall cease, in respect of a Debtor, once CSC HK has remitted to ASL HK an amount equal to the full amount of all Receivables relating to the Debtor.
- 15.5 Nothing in Clause 15 obliges CSC HK to take action to recover any Receivables, by way of recovery or enforcement proceedings.
- 15.6 ASL HK shall at Completion pay to any associated companies or subsidiaries of CSC HK (in particular CSA Holdings Limited) any amounts, if any, owing to it.

## 16. WARRANTIES

- 16.1 ASL HK gives the warranties set out in Schedule 3 to CSC HK.
- 16.2 The Warranties are given on the basis that they will take effect subject to:
- (a) any exceptions expressly provided for under the terms of this agreement;
  - (b) anything done or omitted at the request, or with the approval, of CSC HK in writing after the date of this agreement.
- 16.3 In the event of a claim by any person against CSC HK which, if satisfied by CSC HK, would result in a claim for a breach of Warranty, CSC HK:
- (a) must not make any payment or admission of any liability or take any other step which may prejudice the defence of the claim;
  - (b) must to the extent that such claim is recoverable by CSC HK under a policy of insurance, recover under that policy;
  - (c) must promptly render all reasonable assistance and co-operation to ASL HK with respect to

the claim and the conduct of any proceedings;

- (d) must at the direction of ASL HK take such action (including legal proceedings) as ASL HK may require to avoid, defend, or compromise the claim or to seek compensation from any other person in relation to the claim. However, in any such case ASL HK must obtain legal advice from senior counsel experienced in the relevant field of practice that there is a reasonable prospect of successfully defending the claim and such counsel remains of that view.

16.4 ASL HK shall not be liable for any claim if and to the extent that the fact, matter, event or circumstance giving rise to such claim resulted from any matter done or admitted to be done at the request of CSC HK and ASL HK has notified CSC HK that such act or omission would result in a breach of warranty.

16.5 ASL HK's total aggregate liability for all breaches of the warranties set out in Schedule 3 shall not exceed HKD3,000,000 provided that no claim shall be brought against ASL HK for any breach of these warranties after the date falling 6 months from the Completion Date ("Warranty Expiry Date"). For the avoidance of doubt, the warranties as set-out in paragraphs 1 and 4 in Schedule 3 shall not be subject to the Warranty Expiry Date.

## 17. PUBLICITY

Any announcement or communication relating to the negotiations of the parties or the subject matter or terms of this agreement must be agreed between the parties unless that announcement or communication is required to be made by law or (in the case of ASL HK) required under the Listing Rules or the Takeovers Code.

## 18. DURATION OF PROVISIONS

The covenants, conditions and Warranties contained in this agreement do not merge or terminate at Completion and to the extent that they have not been fulfilled and satisfied remain in full force and effect.

## 19. ASSIGNMENT

None of the rights of the parties under this agreement may be assigned or transferred without the prior written consent of the other party.

## 20. ENTIRE AGREEMENT

This agreement contains the entire understanding of the parties as to its subject matter and any and all previous understandings or agreements on that subject matter cease to have any effect from the date of this agreement.

## 21. NO WAIVER

21.1 The failure of a party to exercise or delay in exercising a right, power or remedy under this agreement does not prevent its exercise.

21.2 A provision of or right under this agreement may not be waived except by a waiver in writing signed by the party granting the waiver, and will be effective only to the extent specifically set out in that waiver.

## 22. GOVERNING LAW AND JURISDICTION

- 22.1 This Agreement shall be governed by and construed in accordance with the Laws of Hong Kong SAR.
- 22.2 Any dispute, controversy or claim arising out of or in connection with this Agreement, including any question regarding its existence, validity or termination, or the breach, termination or invalidity thereof, shall be settled by arbitration in accordance with the Arbitration Ordinance (Cap. 341 of the Laws of Hong Kong) as at present in force and as may be amended from time to time. The appointing authority shall be the Hong Kong International Arbitration Centre.
- 22.3 The place of arbitration shall be in Hong Kong and shall take place at the Hong Kong International Arbitration Centre and there shall be only one arbitrator. If the parties fail to agree on the designation of an arbitrator within a twenty (20) day period, the Hong Kong International Arbitration Centre shall be requested to designate the single arbitrator. Any arbitration shall be administered by the Hong Kong International Arbitration Centre in accordance with its procedures for arbitration in force at the date of this Agreement including such additions to the Arbitration Ordinance (Cap. 341 of the Laws of Hong Kong) as are therein contained.

## 23. FURTHER ACTION

Each party must, both before and after the Completion Date, do everything reasonably necessary or desirable to give full effect to this agreement.

## 24. COUNTERPARTS

This agreement shall be executed in two counterparts.

## 25. NOTICES

- 25.1 A notice required or authorised to be given or served on a party under this agreement must be in writing and may be given or served by facsimile, post or hand to that party at its facsimile number or address appearing in this clause or such other facsimile number or address as the party may have notified the other party or parties in writing. Both parties shall nominate such a person as its representative within 5 business days from the date of this Agreement.
- 25.2 A notice is deemed to have been given or served on the party to whom it was sent:
- (a) in the case of hand delivery, on delivery during Business Hours;
  - (b) in the case of pre-paid post, 2 Business Days after the date of despatch;
  - (c) in the case of facsimile transmission, at the time of despatch if, following transmission, the sender receives a transmission confirmation report or, if the sender's facsimile machine is not equipped to issue a transmission confirmation report, the recipient confirms in writing that the notice has been received.
- 25.3 A notice given or served under this agreement is sufficient if:
- (a) in the case of a company, it is signed by a director, officer or secretary of that company; or
  - (b) in the case of an individual, it is signed by that party.
- 25.4 The provisions of this clause are in addition to any other mode of service permitted by law.

25.5 In this clause 'notice' includes a demand, request, consent, approval, offer and any other instrument or communication made, required or authorised to be given under this agreement.

26. **CONFIDENTIALITY**

Both parties must treat all information made available by or on behalf of or at the request of the other party in connection with this agreement as strictly private and confidential until Completion. If Completion does not proceed both parties will return all information to the other party, and agrees not to divulge it to any third party or use it in any way for profit, unless and until it becomes public knowledge other than due to that party's disclosure. This clause does not limit in any way any other relevant confidentiality agreement between ASL HK and CSC HK.

27. **STAMP DUTY**

All stamp duty assessed on or in respect of this agreement and anything done or to be done under this agreement will be borne by CSC HK.

28. **SEVERABILITY**

If any part of this agreement is held by any court or administrative body of competent jurisdiction to be illegal, void or unenforceable, such determination will not impair the enforceability of the remaining parts of this agreement which will remain in full force.

29. **RESTRAINT**

29.1 This clause shall have effect as if it were several separate covenants consisting of each separate covenant set out in each subclause and if any of the said several separate covenants shall be or become invalid or unenforceable for any reason then such invalidity or unenforceability shall not affect the validity or enforceability of any of the other separate covenants.

29.2 ASL HK shall not, directly or indirectly, by itself or jointly with or on behalf of any other person on any account or pretext by any means whatsoever or through an employee, agent or independent contractor, solicit, canvass or endeavour to obtain the services of the Transferring Employees at any time during the period of time referred to in Clause 29.4 immediately following the Completion Date other than with the prior written consent of CSC HK and ASL HK acknowledges that the restriction specified in this Clause 29.2 is in the circumstances reasonable and necessary to protect CSC HK's interests.

29.3 ASL HK shall not for the period specified in Clause 29.4 solicit the Global Account Clients, including its associated companies, for the purpose of performing or providing any services as set out under the headings of "Nature of Services" and "Service Description" in Schedule 8A, other than with the prior written consent of CSC HK and ASL HK acknowledges that the restriction specified in this Clause 29.3 is in the circumstances reasonable and necessary to protect CSC HK's interests.

29.4 The period of time referred to in Clauses 29.2 and 29.3 is a period of two (2) years following the Completion Date.

## SCHEDULE 1 – EMPLOYEES

### Managed Services – Global (Data Centre) – GMS

1. Cheng Siu Ting Eric - Data Centre Operator
2. Cheung Kwok Ming - Data Centre Operator
3. Cheung Siu Man Michael - Senior Data Centre Operator
4. Chong Chi Keung - Data Centre Operator
5. Lau Man Chi Alex - Data Centre Operator
6. Lee Ying Wai Raymond - Data Centre Operator
7. Leung Ching Lim Kenneth - Data Centre Operator
8. Wong Hon Hei Tommy - Senior Data Centre Operator
9. Wu Shun Hing Henry - Senior Data Centre Operator
10. Yung Chi Pun Steven - Data Centre Operator

### Managed Services – Global (Motorola)

1. Chan Kwong Tat Kenny - Senior Systems Administrator
2. Cheung Yung Wai Raymond - System Engineer
3. Koo Wai Kin Stephen - Site Service Delivery Manager
4. Leung Ka Kit - PMO Manager
5. Ma Sau Ming Simon - Manager IT Project IV
6. Ng Wing Ki Daniel - Engineer IT Systems II
7. Wong Wing Kei Ricky - System Engineer

### Managed Services – Global (UTC)

1. Chan Wai Hung Wilkin - Server Support Engineer
2. Law Kwok Kay Lawrence - Senior Server Support Engineer
3. Keith Wong - SDM
4. Brian KH Tang - PM

### Managed Services – Global (Basell/BT)

1. Jack Tsz Him Lee

CSC IPM

1. Kashyp Bhatia

Temp/Contract

1. Cheong Wing Yip, Jacky - Data Centre Operator

Procurement & Logistics

1. Liu Yuen Far, Helen
2. Lui Wai Kuen, Louisa
3. Yau Chin Yee, Chinny

## SCHEDULE 3 – ASL HK'S WARRANTIES

### 1. Full Authority

ASL HK has full power and authority and has taken all necessary corporate action to enable it effectively to enter into and perform this Agreement and all agreements entered into, pursuant to the terms of this Agreement, and such agreements when executed, will constitute valid, binding and enforceable obligations on ASL HK in accordance with their respective terms and save for those contemplated in this Agreement, it does not require consent, approval or authority of any other person to enter into or perform its obligations under this Agreement and its entry into and performance of this Agreement will not constitute a breach of or default under any contractual, governmental or public obligation binding upon it, and it is not engaged in any litigation or arbitration proceedings which might have an effect upon its capacity or ability to perform its obligations under this Agreement and no such legal or arbitration proceedings have been threatened against it.

### 2. Good Title/Business Assets Unencumbered

- 2.1 To the best knowledge of ASL HK, the Hardware Assets are in working order, fit for their particular current use and are maintained and repaired and all limitation periods and regulations which are applicable to them have been complied with (fair wear and tear excepted).
- 2.2 To the best knowledge of ASL HK, ASL HK has right as licensee to the hardware assets. The contracts are specified in the Schedule 7.
- 2.3 The Hardware Assets are insured for their full costs and ASL HK undertakes to maintain such insurance up to and including Completion. In the event any damage shall occur which is covered by insurance, the insurance proceeds shall be payable to CSC HK.

### 3. Employees

To the best knowledge of ASL HK, all industrial legislation and awards applicable to the Business have been complied with.

### 4. Intellectual Property

ASL HK warrants that it has authority to grant the rights granted to CSC HK under this Agreement in relation to those Specified Intellectual Property that are licensed to CSC HK under Clause 5.1.

## SCHEDULE 4 – BUSINESS CONTRACTS

### PART A - GLOBAL ACCOUNT CLIENTS

Motorola Inc

Freescale Semiconductor Inc

United Technologies Corporation

DuPont E. I. Du Pont De Nemours & Co

Invista S.a.r.l

Nortel Networks Limited

Bombardier Inc

Textron Inc

Air Products and Chemicals Inc

Local Agreements entered into by ASL HK and/or its entities and the local entities of the global account clients/business units:-

#### **LIST OF LOCAL AGREEMENTS**

1. Local Enabling Agreement dated 23 January 2007 between Acument China Limited and Automated Systems (HK) Limited

## SCHEDULE 5 (a) – PRE COMPLETION TRANSITION ACTIVITIES

1. Provision of all documentation pertaining to the ASL HK's office building power and line drawings as well as power distribution in the building.
2. Documentary proof from ASL HK that its landlord has agreed to allow CSC HK to place equipment on the rooftop and basement for purposes of the data centre expansion

## SCHEDULE 5 (b) – POST COMPLETION TRANSITION ACTIVITIES

1. Removal of existing equipment in the helpdesk and BCP rooms as specifically identified in Schedule 10 within six (6) months from the Completion Date

## SCHEDULE 6 – TRANSFER

### Agreement on Transfer of Contractual Position

(i) ASL (insert ASL entity name) (“ASL”), (ii) [Company Name] (the “Company”) and (iii) CSC (insert CSC entity name) (“CSC”) hereby enter into this Agreement on Transfer of Contractual Position (this “Agreement”) in connection with the Agreement (description of the Global Account Client Contract or Vendor Contract) dated 24<sup>th</sup> April 2009 between ASL and the Company referred to herein as the “Original Agreement”) as follows:

#### Article 1 (Transfer of Contractual Position)

1. ASL shall transfer its contractual position under the Original Agreement and any and all rights and obligations associated therewith to CSC, and CSC shall accept such transfer (the “Transfer”). The Company hereby approves the Transfer. Upon the Transfer (i.e. with effect from the Effective Date (as defined below)), CSC shall assume any and all obligations, rights and benefits of ASL in relation to the Company under the Original Agreement in lieu of ASL, meaning ASL shall become exempt from such matters.
2. The Transfer shall come into effect as of [Date], 2009 (the “Effective Date”).

#### Article 2 (Historical Obligations)

Nothing in this Agreement shall affect:-

- (i) Any accrued liabilities of ASL and the Company to each other; or
- (ii) Any obligation or liability arising in respect of events occurring before the Effective date; or
- (iii) Any obligation due to be performed under the Original Agreement before the Effective Date.

(each an “Historical Obligation”). For the avoidance of doubt, nothing in this Agreement shall transfer or otherwise impose any liability upon CSC in respect of any Historical Obligation.

#### Article 3 (Confidentiality)

ASL, the Company and CSC shall assume a duty of confidentiality for any and all information about the parties hereto, which they have obtained during the course of the execution and implementation of this Agreement.

#### Article 4 (Burden of Expenses)

ASL, the Company and CSC shall respectively bear their own expenses (including, but not limited to, respective fees of attorneys, accountants and any other agents and counsel) and taxes (limited to the case where income tax and other taxes and public charges are imposed in accordance with laws and regulations) arising in connection with the execution of this Agreement.

#### Article 5 (Governing Law)

This Agreement shall be governed by and construed in accordance with the Laws of Hong Kong SAR.

**Article 6 (Agreement Jurisdiction)**

Any dispute arising under or related to this Agreement between ASL, the Company and CSC shall be subject to the non-exclusive jurisdiction of the Courts of Hong Kong SAR.

**Article 7 (Good-Faith Consultation)**

ASL, the Company and CSC shall resolve any matter not stipulated in this Agreement or any doubt as to any provisions of this Agreement through mutual good-faith consultation.

IN WITNESS WHEREOF, ASL, the Company and CSC has caused three originals of this Agreement to be prepared, and each party shall retain one original after affixing their respective names or signatures and seal impressions thereunto.

[Date], 2009

PL02UJM115	15-Feb-05	HP 10636 36U STANDARD RACK PALLET
PL02UJM115	15-Feb-05	HP 10K GRAPHITE METALLIC 36U SIDE PANEL
PL02UJM115	15-Feb-05	HP 32A HIGH VOLTAGE MODULAR PDU
PL02UJM115	15-Feb-05	HP CABLE MANAGEMENT D-RING KIT
PL02UJM115	15-Feb-05	HP STABLIZIER OPTION KIT (600MM) GRAPHITE FOR 1000
PL02UJM115	15-Feb-05	HP GROUND BONDING KIT (9000/10000)
PL02UJM115	15-Feb-05	HP RIB (QTY 20 PCS) HIGH VOLTAGE POWER CORD
PL02UJM115	15-Feb-05	COMPAQ IEC TO IDC POWER CABLE
PL02UJM115	15-Feb-05	COMPAQ POWER CORD 10A IEC320-C14 TO IEC320-C19
PL02UJM115	15-Feb-05	HP 10636 36U STANDARD RACK PALLET
PL02UJM115	15-Feb-05	HP 10K GRAPHITE METALLIC 36U SIDE PANEL
PL02UJM115	15-Feb-05	HP CABLE MANAGEMENT D-RING KIT
PL02UJM115	15-Feb-05	HP STABLIZIER OPTION KIT (600MM) GRAPHITE FOR 1000
PL02UJM115	15-Feb-05	HP GROUND BONDING KIT (9000/10000)
PL02UJM115	15-Feb-05	COMPAQ IEC TO IEC POWER CABLE
PL02UJM115	15-Feb-05	COMPAQ POWER CORD 10A IEC320-C14 TO IEC320-C19
PL02UJM115	15-Feb-05	HP 10636 36U STANDARD RACK PALLET
PL02UJM115	15-Feb-05	HP 10K GRAPHITE METALLIC 36U SIDE PANEL
PL02UJM115	15-Feb-05	HP CABLE MANAGEMENT D-RING KIT
PL02UJM115	15-Feb-05	HP STABLIZIER OPTION KIT (600MM) GRAPHITE FOR 1000
PL02UJM115	15-Feb-05	HP GROUND BONDING KIT (9000/10000)
PL02UJM115	15-Feb-05	COMPAQ IEC TO IEC POWER CABLE
PL02UJM115	15-Feb-05	COMPAQ POWER CORD 10A IEC320-C14 TO IEC320-C19
PL02UJM115	15-Feb-05	HP 10636 36U STANDARD RACK PALLET
PL02UJM115	15-Feb-05	HP 10K GRAPHITE METALLIC 36U SIDE PANEL
PL02UJM115	15-Feb-05	HP CABLE MANAGEMENT D-RING KIT
PL02UJM115	15-Feb-05	HP STABLIZIER OPTION KIT (600MM) GRAPHITE FOR 1000
PL02UJM115	15-Feb-05	HP GROUND BONDING KIT (9000/10000)
PL02UJM115	15-Feb-05	COMPAQ IEC TO IEC POWER CABLE
PL02UJM115	15-Feb-05	COMPAQ POWER CORD 10A IEC320-C14 TO IEC320-C19
PL02UJM115	15-Feb-05	HP 10636 36U STANDARD RACK PALLET
PL02UJM115	15-Feb-05	HP 10K GRAPHITE METALLIC 36U SIDE PANEL
PL02UJM115	15-Feb-05	COMPAQ TFT5600 RKM 1U RACKMOUNT - INTEGRATED KEYBO
PL02UJM115	15-Feb-05	HP CABLE MANAGEMENT D-RING KIT
PL02UJM115	15-Feb-05	HP STABLIZIER OPTION KIT (600MM) GRAPHITE FOR 1000
PL02UJM115	15-Feb-05	HP GROUND BONDING KIT (9000/10000)
PL02UJM115	15-Feb-05	HP CAT 5 3X1X16 IP CONSOLE SWITCH
PL02UJM115	15-Feb-05	HP IP CONSOLE 8 PACK INTERFACE ADAPTER
PL02UJM115	15-Feb-05	HP IP CAT 5 8 PORT KVM EXPANSION MODULE

Code	Date of purchase	Hardware description
PL02UJM115	15-Feb-05	HP IP CAT 5 (QTY 4PCS) 20FT/6.1M CABLE
PL02UJM115	15-Feb-05	COMPAQ INPUT DEVICE ADJUSTABLE RAIL-FOR ML350/370/
PL02UJM115	15-Feb-05	HP IP CAT 5 (QTY 1PC) 40FT/12.2M CABLE
PL02UJM115	15-Feb-05	COMPAQ IEC TO IEC POWER CABLE

	Earthing System	1 lot
	Switchboard – SB1 & SB2 - 800A TP switch x 1 - 630A TP MCCB x 2 - Network analyzer x 1 - LED indicators	2 sets
	Switchboard – SB3 - 2 x 630A TP MCCB changeover x 1 - 630A TP MCCB x 1 - 400A TP MCCB x 1 - 80A TP MCCB x 2 - 400A TP contactor c/w delay timer x 1 - Network analyzer x 1 - LED indicators - Surge protector x 1	1 set
	Switchboard – SB4 - 400A TP witch x 1 - 2 x 400A TP MCCB with keylock system x 1 - 400A TP MCCB x 1 - 125A TP MCCB x 4 - Network analyzer x 1 - LED indicators	1 set
	Switchboard – MSB-AC-1 - 4 way TPN MCB board	1 set
	1600A L.V. Switchboard for main power	1 set
	1600A sub-switchboard for Genset	1 set
	100KVA PPDC	2 sets
	Lighting	1 lot
	100kVA Dummy load for Genset	1 set
1600A sub-switchboard for dummy load	1 set	
Water Detection System	Hydro Temp Water Detection System Model : EPC-50/32 (with 200 meters sensing cable)	1 set

M&E Components Name	Equipment Description	Qty
Raised Floor System	Gammapac raised floor system (panel, pedestals and stringers)	4000 sqft
	Gammapac raised floor system– Multi-function Rm. (panel, pedestals and stringers)	4000 sqft
	Raised floor system – UPS Rm. (panel, pedestals and stringers)	400 sqft

SCHEDULE 8A – List of restricted business under Clause 29.3

CUSTOMER	NATURE OF SERVICES	SERVICE DESCRIPTIONS	Elaboration of Service Description
UTC	Managed desktop services	- standard & non standard desktops / laptops / workstations / printers	Provide on-site technical support for workstations and portable computing in resolving all PC supports issues in a manner that protects the PC user's data and software configuration
		- maintenance support	Maintain customer desktop operating system, productivity tools and agent knowledge necessary support customers' environment
	Network services	- LAN services	Provide LAN port and monitor switches on inter-switch links for errors impacting service and correct the errors
	Helpdesk	- helpdesk supports	Provide a single point of contact and coordination for all incident reports and requests for services, and track all requests for service, problem reports and inquiries
	Lotus Notes Mail services	- standard mail / redundant mail / mail storage	Provide messaging included in the Louts Notes Software and support interconnectivity to the email backbone and directory services
		- application storage	Provide application database storage on a device to meet the needs of the application owner
Security services Accounts	- security services	Maintain and update security software including maintain operating system patches and service packs for critical vulnerabilities	
INVISTA	EUC services	- workstations	Provide on-site technical support for workstations and portable computing in resolving all PC supports issues in a manner that protects the PC user's data and software configuration
		- midrange server	Provide services, tasks and responsibilities related to pre-defined mid-range machines including but not limited to providing software support; performance monitoring; and performing storage management on storage devices
		- helpdesk	Provide a single point of contact and coordination for all incident reports and requests for services, and track all requests for service, problem reports and inquiries

CUSTOMER	NATURE OF SERVICES	SERVICE DESCRIPTIONS	Elaboration of Service Description
DUPONT	EUC services	- workstations	Provide on-site technical support for workstations and portable computing in resolving all PC supports issues in a manner that protects the PC user's data and software configuration
		- midrange server	Provide services, tasks and responsibilities related to pre-defined mid-range machines including but not limited to providing software support, performance monitoring, and performing storage management on storage devices
		- helpdesk	Provide a single point of contact and coordination for all incident reports and requests for services, and track all requests for service, problem reports and inquiries
	Lotus Notes Mail services	- standard mail / redundant mail / mail storage	Provide messaging included in the Louts Notes Software and support interconnectivity to the email backbone and directory services
		- change managed domino applications hosting	Provide and maintain HTTP enabled production servers and a single web authentication solution
		- self charge managed domino applications hosting	Provide the provision of collaboration applications to Louts Notes Users that are hosted on CSC Lotus Domino Servers and the provision of the collaboration capabilities included in the Lotus Notes Software to developers
	- application storage	Provide application database storage on a CSC-owned storage device to meet the needs of the application owner	
APCI	Managed desktop services	- standard & non standard desktops / laptops / workstations	Provide on-site technical support for workstations and portable computing in resolving all PC supports issues in a manner that protects the PC user's data and software configuration
		- maintenance support	Maintain customer desktop operating system, productivity tolls and agent knowledge necessary support customers' environment
MOT/FSL	Midrange & distributed services	- application / infrastructure / utility / internet web servers	Provide a full range of system supports related to customer IT environment
		- storage devices	Provide integrity checking, define storage requirements and operate offsite media storage

CUSTOMER	NATURE OF SERVICES	SERVICE DESCRIPTIONS	Elaboration of Service Description
		- midrange & distributed operating system support	Provide on-site technical support for workstations and portable computing in resolving all PC supports issues in a manner that protects the PC user's data and software configuration.
			Provide services, tasks and responsibilities related to pre-defined mid-range machines including but not limited to providing software support; performance monitoring; and performing storage management on storage devices
		- engineering applications support	
		- database administration support	
		- messaging systems & services support	Provide messaging and support interconnectivity to the email backbone and directory services
	End User Computing services	- standard & non standard desktops / laptops / workstations	Provide on-site technical support for workstations and portable computing in resolving all PC supports issues in a manner that protects the PC user's data and software configuration
		- maintenance support	Maintain customer desktop operating system, productivity tools and agent knowledge necessary support customers' environment
		- deployment of integrated service model	
		- executive / premium support	Upgraded support to senior management team members
	Network services	- WAN services	Provide machines and software in support of network transport technologies and provide analysis of the utilization details of virtual / logical and physical ports and maintenance services
		- Voice	Provide for multiple alternative communications channels with call distribution and load balancing for the orderly flow of incoming calls to telephones or computer telephony integrated systems
		- Conferencing systems	Provide multi-point teleconferences
		- Remote access	Provide gateway in the system allowing pre-approved user to access to the backbone system offsite

CUSTOMER	NATURE OF SERVICES	SERVICE DESCRIPTIONS	Elaboration of Service Description
	<b>Cross function</b>	- LAN services	Provide LAN port and monitor switches on inter-switch links for errors impacting service and correct the errors
		- 24 x 7 support	Supports to maintain network system availability
		- helpdesk	Provide a single point of contact and coordination for all incident reports and requests for services, and track all requests for service, problem reports and inquiries
		- project management	Project management covers provision of service to plan, organize, staff and manage all aspects of project (including business requirement identification, application development, development of technical objectives, change management and implementation of the project on time and on budget.)
		- security	Maintain and update security software including maintain operating system patches and service packs for critical vulnerabilities
		- application maintenance	Application maintenance includes preventive work, corrective work, user requests, and project or web development and staff augmentation to the pre-define application systems of customer
		- training & education	Involve in training / knowledge transfer to the customer
		- procurement	Ensure compliance with customer's procurement policies and procedures, and manage pre-defined procurement process including contacting third party suppliers; reviewing price, terms and delivery timing; entering and issuing purchase orders tracking the fulfillment process to ensure on-time delivery
		- asset management	Maintain and update a database consisting inventory of the machines and software to enable asset management information can be traced the services to be carried out.

## SCHEDULE 9 – DATA CENTRE FACILITY MANAGEMENT AGREEMENT

Pursuant to the Agreement for the Sale and Purchase of the Global Accounts and Assets in Hong Kong entered into between the parties hereto dated 24<sup>th</sup> April 2009 (the "Global Account Transfer Agreement"), Automated Systems (H.K.) Limited ("ASL HK"), and CSC Computer Sciences HK Limited ("the Customer") hereby enter into this Agreement for the provision of Data Centre Facility Management (this "Agreement") by ASL HK to the Customer based on the following terms and conditions:

### 1. Co-location Services

- 1.1 ASL HK hereby grants the Customer a license to house the Data Centre Equipment (as defined in the Global Account Transfer Agreement) at the location known as Topsail Plaza, 11 On Sum Street, Sha Tin, Hong Kong (i.e the "Building") and which floor plan is more particularly set-out in Schedule 10 (the "Site") and to operate the Data Centre Equipment for the provision of the data centre services. The grant to the Customer of the use of the rooftop and the ground floor of the Building is subject to the license to use the same by ASL HK's subsidiary not being terminated. ASL HK shall indemnify CSC HK for any losses, claims and damages howsoever arising from such license being terminated due to an act or omission on the part of ASL HK or its said subsidiary.
- 1.2 The license granted to the Customer by ASL HK under Clause 1.1 does not create a lessor and lessee or landlord and tenant relation between ASL HK and the Customer. The Customer shall not assign, license, underlet or part with possession of the Site or any part thereof nor enter into, permit or suffer any arrangement whereby any persons obtain the use or possession of the Site or any part thereof.

### 2. The Services

In connection with the co-location services above, ASL HK shall provide maintenance and cleaning services to the common area in respect of the Site to the Customer.

### 3. Charges and Payment

- 3.1 Provided the Customer shall pay a cash deposit to ASL HK as stipulated in Clause 3.4, the Customer shall pay the monthly charge ("Monthly Charges") to ASL HK. The Monthly Charges shall comprise of the following as set out in the table below:-

<u>Provision</u>	<u>Site</u>
Rental Fee (To be paid by Customer to ASL)	HK\$7.50 per sq ft per month (currently 13,969 sq ft, which comprises of the 12th floor data centre (i.e. 9,087 sq ft), rooftop (i.e. 1,900 sq ft) and ground floor (i.e. 2,982 sq ft) as identified in Schedule 10)
Management Fee (To be paid by Customer to ASL)	HK\$1.45 per sq ft per month subject to adjustment should there be any change to the management fees imposed by the management company

<u>Provision</u>	<u>Site</u>
Government Rent and Rates (To be paid by Customer to ASL)	HK\$0.35 per sq ft per month subject to adjustment based on the assessments of the Government of the HKSAR
Licensed Area	13,969 sq ft
Total Monthly Charges of Licensed Area of the Site (To be paid by Customer to ASL)	HK\$129,911.00 per month
Utilities & Telecom Charges (To be paid by the Customer to ASL and subject to Clause 7.3, if applicable)	Based on check meters and energy meter as charged by the utilities company

- 3.2 Unless otherwise specified, the Customer shall pay each invoiced amount under this Agreement within 30 days from the date of such invoice. Each invoice shall include a copy of the actual invoice from the utilities companies for the purpose of determining the utilities and telecom charges.
- 3.3 For the avoidance of doubt, nothing in this clause shall require the Customer to bear any of ASL HK's corporate tax.
- 3.4 Upon signing of this Agreement, the Customer shall pay an amount equivalent to 4 months of rental fee to ASL HK as a deposit to be held during the Contract Period from which ASL HK shall be entitled to deduct as compensation for losses or damages incurred by ASL HK arising from the breach of this Agreement by the Customer provided that the Customer agrees to such a breach and the amounts for losses or damages incurred by ASL HK or such breach has been adjudicated by arbitration. The Customer shall make up the deficit within 14 days from when any deduction to the deposit is made. ASL HK shall repay the Customer any sums not deducted from this deposit immediately upon expiry of the Contract Period unless renewed.
- 3.5 The costs of repairing and replacement of broken windows within the Site and the costs of repairing any defects caused by the Customer (fair wear and tear excluded) will be borne by the Customer.
- 3.6 The Monthly Charges shall exclude the rental fees, management fees, government rents & rates and the utilities and telecom charges in respect of the helpdesk (which floor area is 1,378 sq ft) and BCP room (which floor area is 884 sq ft) as identified in Schedule 10 until these areas are handed over by ASL HK to the Customer for its use. ASL HK shall hand the helpdesk and BCP rooms to the Customer no later than 6 months from the Completion Date as defined in the Global Account Transfer Agreement.
- 4. Term and Termination**
- 4.1 This Agreement shall remain effective from the Service Commencement Date for a period of three (3) years (the "Contract Period").
- 4.2 The Customer shall be entitled to provide ASL HK written notice at least 12 months prior to the expiry of the Contract Period that it wishes to extend this Agreement for a further of 3 years ("Further Term") on substantially similar terms as set-out in this Agreement save that ASL HK shall for the period of the Further Term be entitled to charge the Customer a sum for the rental fee at the prevailing market rate. The terms of the Further Term shall be agreed no later than 180 days prior to

the expiry of the then current Contract Period. If ASL HK receives a bona fide offer in good faith from a third-party which is unrelated to ASL HK or Teamsun Technology (HK) Limited or any of its subsidiaries or parent company during the period prior to the renewal of the Agreement, which offer of the monthly rental fee is greater than the prevailing market rate, then ASL HK shall provide the Customer an option to offer an equivalent monthly rental fee for the Further Term. If the Customer makes such an offer, then ASL HK shall extend this Agreement for the Further Term with the Customer. Should both parties fail to agree on the prevailing market rate, then both parties shall jointly appoint an independent surveyor to offer an opinion on the prevailing market rate of rental in the said building of a comparable size and both parties agree to be bound by such an opinion. For the avoidance of doubt, the prevailing market rate shall be determined based on its use as an office space only. Subsequent renewals of any period beyond the Further Term shall be based on mutual agreement. Notwithstanding the aforesaid, any renewal or extension of this Agreement beyond the Contract Period under this Clause 4.2 shall be subject to and in compliance with the Listing Rules.

4.3 Either party may terminate this Agreement:

- 4.3.1 immediately on written notice to the offending party if the offending party commits a material breach of this Agreement and fails to remedy that material breach within 30 days after receiving written notice from the notifying party requiring it to do so; or
- 4.3.2 immediately on written notice to the other party if that other party is unable to pay its debts as they fall due or a petition is presented or meeting convened for the purpose of winding up the other party or the other party enters into liquidation whether compulsorily or voluntarily or compounds with its creditors generally or has a receiver appointed of all or any part of its assets or takes or suffers any similar action in consequence of debt.

In the event of termination pursuant to this Clause 4.3, the party terminating shall be entitled, in addition to any other legal or equitable remedy available, to claim damages.

4.4 For purposes of this Agreement, Service Commencement Date shall be effective immediately upon the fulfilment of all of the following conditions, which in any case shall be no later than 3 months from the date hereof (or such later date to be agreed by ASL HK and the Customer):-

- (a) the Securities and Futures Commission of Hong Kong granting a "special deal" consent under Rule 25 of the Takeovers Code in respect of this Agreement, the First Master Subcontract Agreement (as defined in the Global Account Transfer Agreement), the Second Master Subcontract Agreement (as defined in the Global Account Transfer Agreement), the Global Account Transfer Agreement, the termination agreement for the Territorial Agreement entered into between Automated Systems Holdings Limited and CSA Holdings Limited dated 16<sup>th</sup> October 1997, the termination agreement for the Business Referral Agreement entered into between ASL HK and CSC Malaysia Sdn Bhd (formerly known as Computer Systems Advisors (M) Sdn Bhd) dated 26<sup>th</sup> August 1997 and all the transactions contemplated thereunder, and any conditions attaching to such consent being fulfilled;
- (b) the passing of all necessary resolutions by the shareholders of Automated Systems Holdings Limited ("Listco") (other than such shareholders who are required to abstain from voting pursuant to the requirements under the Takeovers Code and/or the Listing Rules) at the general meeting of Listco by way of a poll to approve this Agreement, the 1<sup>st</sup> Master Subcontract Agreement, the 2<sup>nd</sup> Master Subcontract Agreement, the termination agreement for the Territorial Agreement entered into between Automated Systems Holdings Limited and CSA Holdings Limited dated 16<sup>th</sup> October 1997, the termination agreement for the Business Referral Agreement entered into between ASL HK and CSC Malaysia Sdn Bhd (formerly known as Computer Systems Advisors (M) Sdn Bhd) dated 26<sup>th</sup> August 1997 and the Global Account Transfer Agreement, and all the transactions contemplated thereunder;
- (c) the GAT Closing having occurred ("GAT Closing" means closing of the transactions contemplated under and in accordance with Clause 12 of the Global Account Transfer Agreement dated 24<sup>th</sup> April 2009; and

5. **Effects of Termination.**

5.1 The Customer shall disconnect and remove all Data Centre Equipment from the Site on or before the date of expiration or sooner termination of this Agreement for any reason. The penalty to any one (1) day delay shall be HK\$10,000 to be paid by Customer. For the avoidance of doubt, Customer shall continue to pay Monthly Charges on a pro-rata basis until all Data Centre Equipment has been removed from the Site and the Site has been re-instated in accordance with Clause 5.2.3. The Customer shall be responsible for all damages caused to ASL HK or any third party as a result of such disconnection and removal where such damage is caused by the act, omission or neglect of the Customer or that of its appointed contractors. ASL HK shall be entitled to take out any legal action it thinks fit for possession of the Site should the Customer fail to return the Site by the expiry date of the Agreement.

5.2 On expiry or sooner termination of this Agreement in respect of a Site for any reason:

5.2.1 neither party shall have any continuing right to use the other party's trade marks, unregistered trade marks, trade and business names or logos (collectively "Marks"), and each party shall immediately cease all such use of the other party's Marks;

5.2.2 each party shall provide the other party with all items held by it containing any of the other party's Confidential Information; and

5.2.3 where the termination is due to ASL HK exercising its rights to terminate the Agreement under Clause 4.3 or upon expiry of the Agreement, the Customer shall at its sole cost and expense (and always subject to its obligation to remove the Data Centre Equipment as set-out in Clause 5.1) reinstate the Site to the condition that it is delivered on or before the expiry date of this Agreement (normal wear and tear excepted).

5.3 In addition to any legal or equitable remedies available to either party, in the event of any unlawful repudiation or termination without cause of this Agreement in respect of any of the Sites prior to the end of the contract period by either party, the party unlawfully repudiating or terminating this Agreement shall be responsible for damages incurred in respect of that Site.

5.4 Termination of this Agreement does not affect the accrued rights or liabilities of either party nor does it affect the provisions which expressly or by implication are intended to operate after.

6. **Use of the Site**

6.1 The Customer shall use the Site only for lawful purposes and in compliance with the terms of this Agreement, the relevant covenants contained in Schedule 1 to this Agreement and with all applicable laws. Both parties shall not act, participate in or permit to be done any of the following:-

- (1) Misuse or abuse any of each party's property or equipment or third party equipment.
- (2) Threaten any harm to any individuals, including any of the party's staff and representatives of Customer's customers.
- (3) Make unauthorized use of or interfere with any property or equipment of either party's customers.
- (4) Engage in any activity that is in violation of the law or third party rights or assists in any criminal activity with the use of the Services.

- (5) Engage in any activity that would cause nuisance annoyance damage interference or disturbance to the occupiers of the Building or any interruption to the services and common facilities of the Building.
  - (6) Engage in any activity that would or might vitiate in whole or in part any insurance effected in respect of the Site from time to time
- 6.2 Any alterations or renovations to the Site shall require the prior written consent of ASL HK which shall not be unreasonably withheld.

## 7. Obligations

- 7.1 Subject to any specific obligation stated in this Agreement, the Customer shall keep the internal area of the Site clean at all times. It is the Customer's responsibility to keep the internal area of the Site free of debris and refuse and not to obstruct any of the entrance, staircase, passages and common area of the Building used in common with other occupier of the Building.
- 7.2 Customer shall not store any paper products or other combustible materials of any kind in the Site (other than Data Centre Equipment and related documentation including, software manuals).
- 7.2.1 Neither party shall bring any prohibited materials as defined below into the Site including:
- (1) Food, drink and tobacco products;
  - (2) Explosive and hazardous materials;
  - (3) Alcohol, illegal drugs and other intoxicants;
  - (4) Electro-magnetic devices which could cause unreasonable interference with computer and telecommunication equipment;
  - (5) Radioactive materials and photographic equipment of any kind.
- 7.3 The Customer shall be responsible for any loss and damage caused to any part of the Site or the Building or any part thereof or any injury to any person and shall indemnify ASL HK against any judgments made upon ASL HK in respect of the damage to any person whomsoever or property caused by the negligence of the Customer or by or through or in any way owing to fire fume smoke leakage of water or electric current resulting from the operation or use of the Site by the Customer.
- 7.4 In the event of a claim in question by a third-party as set-out in Clause 7.3, then:
- (a) ASL HK shall immediately inform the Customer of receipt of such claims;
  - (b) no admission of liability shall be made by or on behalf of ASL HK and ASL HK shall not compromise, dispose of or settle such a claim without the consent of the Customer; and
  - (b) if so requested, the Customer shall have reasonable conduct of such third-party claims and ASL HK shall render all reasonable assistance to the Customer and their advisors in defending such claims and that the Customer shall from time to time keep ASL HK fully informed of the updated progress and status of the conduct of such claims.

## 8. Access to Sites

- 8.1 Subject to Clause 8.2, ASL HK shall seek the approval from the Customer for access to the Site by providing prior written notice within a reasonable time period should any of the employees of ASL HK wish to access the Sites, unless where it is not reasonably practicable to do so. Approval shall

not be unreasonably withheld or delayed. Any access by ASL HK, where approved, shall be accompanied by an authorized Customer staff.

8.2 ASL HK shall be entitled to have access to the Site in the event of emergencies occurring in the Site for the purposes of preserving the safety of the other tenants or occupiers in the building. For purposes of this provision, "emergencies" shall be defined as fire, flood and tsunami, overflow or leakage of water or electric current.

9. **Preventive Maintenance**

9.1 Where ASL HK is informed of any planned or ad hoc maintenance activities, ASL HK shall inform the Customer immediately of such notice.

9.2 Subject to planned or ad hoc maintenance activities as referred to in Clause 9.1 above, ASL HK shall comply with any change freeze periods requested by the Customer where no maintenance activities shall be carried out.

9.3 ASL HK shall inform the Customer immediately upon notice of any changes to planned activities as referred to in Clause 9.1 above.

10. **Communication**

For purposes of day-to-day communications with regards to matters pertaining to this Agreement, both parties shall nominate its designated representative within 5 business days from the date of signing of this Agreement.
