**TO THE BOARD OF DIRECTORS OF
AUTOMATED SYSTEMS HOLDINGS LIMITED**

(incorporated in Bermuda with limited liability)

Introduction

We have reviewed the interim financial information set out on pages 3 to 22, which comprises the condensed consolidated balance sheet of Automated Systems Holdings Limited (the "Company") and its subsidiaries (together, the "Group") as at 30th September 2009 and the related condensed consolidated income statement, condensed consolidated statement of comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated cash flow statement for the six-month period then ended and other explanatory notes. The Rules Governing the Listing of Securities on the Main Board of The Stock Exchange of Hong Kong Limited require the preparation of a report on interim financial information to be in compliance with the relevant provisions thereof and Hong Kong Accounting Standard 34 "Interim Financial Reporting" issued by the Hong Kong Institute of Certified Public Accountants. The directors of the Company are responsible for the preparation and presentation of this interim financial information in accordance with Hong Kong Accounting Standard 34 "Interim Financial Reporting". Our responsibility is to express a conclusion on this interim financial information based on our review and to report our conclusion solely to you, as a body, in accordance with our agreed terms of engagement and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Scope of Review

We conducted our review in accordance with Hong Kong Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Hong Kong Institute of Certified Public Accountants. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Hong Kong Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the interim financial information is not prepared, in all material respects, in accordance with Hong Kong Accounting Standard 34 "Interim Financial Reporting".

NOTES TO THE CONDENSED CONSOLIDATED INTERIM FINANCIAL INFORMATION

For the six months ended 30th September 2009

1. General Information

The Company was incorporated in Bermuda as an exempted company with limited liability and its shares are listed on The Stock Exchange of Hong Kong Limited (the "Stock Exchange"). The address of its registered office is Canon's Court, 22 Victoria Street, Hamilton HM12, Bermuda.

This condensed consolidated interim financial information was approved for issue on 18th November 2009.

2. Basis of Preparation

This condensed consolidated interim financial information for the six months ended 30th September 2009 has been prepared in accordance with the applicable disclosure requirements of Appendix 16 to the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules") and Hong Kong Accounting Standard ("HKAS") 34 "Interim Financial Reporting" issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"). The condensed consolidated interim financial information should be read in conjunction with the annual financial statements of the Company for the year ended 31st March 2009, which have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs").

3. Principal Accounting Policies

Except as described below, the accounting policies applied are consistent with those of the annual financial statements for the year ended 31st March 2009, as described in those annual financial statements.

Taxes on income in the interim periods are accrued using the tax rate that would be applicable to expected total annual earnings.

The following amendments to standards are mandatory for the first time for the financial year beginning 1st April 2009.

- HKAS 1 (revised), "Presentation of financial statements". The revised standard prohibits the presentation of items of income and expenses (that is "non-owner changes in equity") in the statement of changes in equity, requiring "non-owner changes in equity" to be presented separately from owner's changes in equity. All "non-owner changes in equity" are required to be shown in a performance statement.

Entities can choose whether to present one performance statement (the statement of comprehensive income) or two statements (the income statement and statement of comprehensive income). The Group has elected to present two statements: an income statement and a statement of comprehensive income. The interim financial information has been prepared under the revised disclosure requirements.

The following new standards, amendments to standards and interpretations are mandatory for the first time for the financial year beginning 1st April 2009, but are not currently relevant for the Group or may not have any financial impact on the interim financial information:

- HKAS 23 (amendment), "Borrowing costs".
- HKAS 32 (amendment), "Financial instruments: Presentation".
- HKAS 39 (amendment), "Financial instruments: Recognition and measurement".
- HKFRS 7 (amendments), "Financial instruments: Disclosures".

- HK(IFRIC) 13, "Customer loyalty programmes".
- HK(IFRIC) 15, "Agreements for the construction of real estate".
- HK(IFRIC) 16, "Hedges of a net investment in a foreign operation".

Outlook and Prospect

The strategy of the Company will continue to focus on cross-territories business. The strong support network and vast coverage of Teamsun in China together with the solid foundation and broad client base of the Company provide an advantage to the Company in developing cross-territories business in China.

Besides providing support to our existing clients in their expansion in the Mainland China, the Group also intends to provide support to new clients in the Mainland China for their expansion to nearby regions.

Apart from focusing in cross-territories business, the Company will continue to provide quality service to customers in Hong Kong and the South-east Asia region. Limited, was awarded a 36-month tender for the provision of Hardware Maintenance Services of NT Servers, Personal Computers, Printers and Related Peripherals to the Hospital Authority (Category A), effective from 1st October 2009 and has an value of approximately HK\$20 million.
